

PALTmed Texas Geriatrics Annual Conference 2025: *GERIATRICS: A Capitol Idea*
Session Objectives and Speaker Bio(s)

Speaker(s): Dianne Rudolph, DNP, GNP-BC, CWOCN KEYNOTE SPEAKER

Title: *Wound Care Perspectives: Past, Present and Future*

Saturday, August 2 from 9:00 am to 10:00 am

Objectives:

1. Explore the history of wound care and common practices prior to the late 20th Century.
2. Discuss the evolution of moist wound healing as a concept.
3. Review current best practices in wound management.
4. Identify future innovations in wound management.

Dr. Dianne Rudolph received her Doctor of Nursing practice from UT Health Science Center Houston and her Nurse Practitioner Certification from UTMB Galveston. She is also board certified in wound and ostomy care and has been practicing in wound care for over 25 years. She has presented and published on multiple wound care topics. She currently works in a primary care practice full time and continues with a wound consulting practice where she provides clinical, legal and educational consulting.
