To Whom It May Concern,

This letter serves as formal verification that Dr. Jane Doe is currently enrolled as a PGY-1 resident in the UTRGV Internal Medicine Residency Program. Dr. Doe remains an active and fully participating member of our training program at the time of this abstract submission.

Dr. Doe is the first author of the submitted abstract and has my full support to present this scholarly work at the PALTmed Texas Geriatrics Annual Conference, should the abstract be selected for presentation. Her ongoing commitment to academic inquiry and professional development reflects the values and expectations of our residency program.

Please accept this letter as official confirmation of Dr. Doe's active training status and his good standing within our department. Should you require any additional information or further clarification, I would be pleased to provide it.

Sincerely,

Benjamin Smith, M
Associate Professor of Internal Medicine
